3 links to modals: forms and links

Basic NavBar w/ links and login button (modal) – Future feature (Client Portal)

Jumbotron: I might do a carousel with images or text.

Links to ID tags below. Left room for advanced CSS and JS for animation.

I might change the add text to the cards and remove the 3 paragraphs. This could be a sections for testimonial and meet the staff cards w/ images

Links to 3 additional pages

Footer: additional links, contact information, social links
